

CHAINS

Butt Welded Safety Chains

These safety chains are manufactured using the butt welding system. Chains are manufactured to AS3751 or relevant standard. The chains are proof load tested and NATA certified.

Butt Welded Safety Chains

Safety Chains

Reliance Hexham can manufacture a range of safety and lifting chains in many different sizes to suit your needs.

All chains are manufactured to current Australian Standards and are issued with NATA certification.

In today's times of increasing workplace safety, you cannot afford to use second rate lifting and safety equipment.

We are accredited with SAI Global as a quality Endorsed company to ISO9001
