

Reliance Hexham

NON-DESTRUCTIVE TESTING

Our Level 3, Level 2 & Level 1 accredited magnetic particle testers are approved for multi industrial sectors. Testing is carried out to comply with AS1171, AS3998 & ISO9712.

We offer non-destructive testing in our workshop or at your site, as well as a comprehensive customer reporting system. Our skilled technicians are trade qualified to carry out weld repairs after detection of any discontinuities then carry out final testing to ensure that there are no longer any discontinuities present.
