

Reliance Hexham

PROOF LOAD TESTING

Our laboratory is accredited with the National Association Testing Authorities, better known as NATA. Our NATA accreditation enables us to test mechanical items, within our accreditation criteria.

Our laboratory is accredited to ISO17025 - General Requirements for the Competence of Testing.

All testing carried out by Reliance Hexham to our accreditation is certified and traceable as per the NATA ruling and our quality assurance accreditation.

All testing carried out by Reliance Hexham to our accreditation is certified and traceable as per the NATA ruling and our quality assurance accreditation.

We have numerous testing rigs enabling us to test a variety of industrial equipment.

Our proof load capacities range from 5 Tonne to 140 Tonne in horizontal testing rigs.

All our test rigs are calibrated as per our NATA Accreditation.

We are accredited with SAI Global as a Quality Endorsed Company to ISO9001.
